1. Services & Scope of Work

1.1 BH Data Services provides practical, task-based data support services, including administrative processing, spreadsheet management, data cleaning, file organisation, and written-instruction-based remote technical support. The specific Services to be provided will be agreed separately in writing before work begins. Specific project deliverables, specifications, deadlines, requirements and Charges shall be set out in a written email or separate Statement of Work ('SOW') before work starts. Unless expressly agreed in writing, BH Data Services does not provide general consultancy, strategic advisory services, systems architecture, managed IT support, or open-ended business analysis.

1.2 The Agreement shall commence on the date when it has been signed by both parties ("Commencement Date") and shall continue until the Services have been completed in accordance with the Statement of Work, unless it is terminated earlier in accordance with its terms. BH Data Services shall provide the Services to the Client in accordance with this Agreement from the Services Start Date.

1.3 Weekly Capacity: Unless otherwise agreed in writing, Services shall be limited to a maximum of 20 hours per week.

1.4 Remote Services Only: This Agreement covers remote administrative, data, spreadsheet, and technical support services only. Office attendance, travel, in-person work, physical attendance at meetings, online meetings, calls, or consultations are not included unless separately agreed in writing by BH Data Services.

1.5 Task-Based Working: The Services are intended for structured, task-based work that can be completed independently from written instructions, supplied files, and agreed deliverables, without the need for routine meetings or real-time supervision.

1.6 Written Instructions: BH Data Services will rely on written instructions, supplied files, and written approvals. Verbal instructions, informal discussions, or assumptions shall not form part of the agreed scope unless confirmed in writing.

1.7 No Urgent or Out-of-Hours Support: BH Data Services does not provide guaranteed same-day, urgent, emergency, evening, weekend, or out-of-hours support unless separately agreed in writing.

1.8 Right to Decline Out-of-Scope Work: BH Data Services may decline any task, request, or project that falls outside its stated service scope, available skills, capacity, insurance coverage, working model, or reasonable commercial judgement.

BH Data Services aims to provide clear, reliable, and practical support within the agreed scope. Where a request is unclear, unsuitable, or outside the agreed working model, this will be raised as early as reasonably possible so that expectations can be confirmed in writing.

1.9 BH Data Services shall use reasonable endeavours to supply the Services, and deliver the Deliverables to the Client, from the Services Start Date in accordance with this Agreement in all material respects. BH Data Services shall use reasonable endeavours to meet any performance dates specified in the SOW but any such dates shall be estimates only and time for performance by BH Data Services shall not be of the essence of this Agreement.

1.10 In supplying the Services, BH Data Services shall:

- a) provide all equipment, tools and other items required to provide the Services;
- b) hold all Client Materials in safe custody at its own risk, maintain the Client Materials in good condition until returned to the Client, and not dispose of or use the Client Materials other than in accordance with the Client's written instructions or authorization.

2. Fees & Payment Terms

2.1 In consideration for the provision of the Services, the Client shall pay BH Data Services the Charges in accordance with this Clause 2. The Charges shall be paid in Pounds Sterling (GBP), unless otherwise specified in the applicable SOW.

2.2 Standard Hourly Work: Work shall be charged at a flat rate of £50 per hour and invoiced based on the hours required or completed for the agreed task, as confirmed in writing. The minimum invoiceable amount for any agreed task, booking, or invoice shall be one (1) hour. Payment is due within 14 calendar days from the date of invoice. All sums payable to BH Data Services under this Agreement shall become due immediately on termination of this Agreement or on the commencement of any act or proceeding in which the Client's solvency is involved, despite other provisions to the contrary.

2.6 BH Data Services may increase the Charges for the Services on an annual basis and will inform the Client in writing in advance of such increase. Any increase in the Charges shall apply with effect from expiry of BH Data Services' notice.

2.7 Invoice and Payment Terms: Invoices shall be issued electronically unless otherwise agreed in writing. Unless otherwise specified in the applicable SOW, BH Data Services shall invoice the Client for the supply of Services in Pounds Sterling (GBP) and the Client shall pay to BH Data Services the total amount of each invoice in Pounds Sterling (GBP). Payment must be received in cleared funds by the due date stated on the invoice. Time for payment shall be of the essence and no payment shall be deemed to have been made until BH Data Services has received payment in cleared funds. The Client remains responsible for timely payment regardless of any internal approval, purchase order, accounts payable, or administrative process. Any purchase order requirement must be notified to BH Data Services before work begins. All invoice amounts not disputed in writing within five (5) days of the invoice date are deemed accepted by the Client. In the event of a bona fide dispute regarding any invoice or other request for payment, the Client shall promptly notify BH Data Services in writing within five (5) days of the invoice date and the parties shall attempt promptly and in good faith to resolve any dispute regarding amounts owed. Disputed portions of payments may be withheld until the dispute is resolved but undisputed amounts shall be paid by the Client on the due date. At no time may the Client withhold payment for an invoiced amount that is not the subject of a good faith dispute, timely raised, between the parties.

2.8 Late Payment and Suspension: If any invoice remains unpaid after the due date, BH Data Services may pause or suspend all or part of the Services until payment is received in full. Such interruption does not relieve the Client from paying any amount overdue and payable under the SOW. Late or unpaid invoices remain payable for all work completed and delivered. BH Data Services reserves the right to decline further work where invoices remain outstanding. Without prejudice to any other right or remedy that BH Data Services may have, if the Client fails to pay any undisputed amount by the due date for payment, BH Data Services may, at its sole discretion and effective upon notice to the Client, take the following actions: (i) charge the Client interest on any overdue amount on a daily basis from the due date of payment to the date of actual payment, both dates inclusive, whether before or after judgment, at the rate of 8% per annum above the Bank of England base rate from time to time, but at 4% a year for any period when that base rate is below 0%. The Client shall pay the interest together with the overdue amount plus all costs, including reasonable legal fees, incurred to collect any unpaid amounts. For the avoidance of doubt, interest under this Clause shall not apply to payments that the Client contests in good faith until such dispute is resolved between the parties and only on sums found or agreed to be due, from the due date until payment; and (ii) cancel any of the Client's outstanding orders for Services and terminate the Agreement and any SOW under it.

2.9 Payment Method: Payment shall be made via Direct Bank Transfer (BACS) using the account details provided on the official BH Data Services invoice.

2.10 VAT: BH Data Services is not currently VAT registered and VAT is not charged. If BH Data Services becomes required to register for VAT, VAT may be charged in addition to the stated prices where required by law.

2.11 Set-off: All sums payable to BH Data Services under this Agreement shall be paid in full without any set-off, counterclaim, deduction or withholding (other than any deduction or withholding of tax as required by law). If the Client is required under any applicable law to withhold or deduct any amount from the payments due to BH Data Services, the Client shall increase the sum it pays to BH Data Services by the amount necessary to leave BH Data Services with an amount equal to the sum it would have received if no such withholdings or deductions had been made.

2.12 Expenses: BH Data Services will be reimbursed by the Client (on presentation of invoices or other evidence of actual payment) for all reasonable expenses pre-authorised in writing by the Company to incur in providing the Services, which shall be payable by the Client monthly in arrears, following submission of an appropriate invoice.

7.7 Force Majeure: Neither party shall be in breach of the Agreement nor liable for delay in performing, or failure to perform, any of its obligations under this Agreement and any relevant SOW if such delay or failure result from events, circumstances or causes beyond its reasonable control ("Force Majeure Event"). If the period of delay or non-performance continues for three (3) months], the party not affected may terminate the Agreement by giving fifteen (15) days' written notice to the affected party. Force Majeure Event means any circumstance not within a party's reasonable control including, without limitation: acts of God, flood, drought, earthquake or other natural disaster; epidemic or pandemic; terrorist attack, civil war, civil commotion or riots, war, threat of or preparation for war, armed conflict, imposition of sanctions, embargo, or breaking off of diplomatic relations; nuclear, chemical or biological contamination or sonic boom; any law or any action taken by a government or public authority, including without limitation imposing an export or import restriction, quota or prohibition; collapse of buildings, fire, explosion or accident; interruption or failure of utility service.

7.8 Variation: No variation of this Agreement shall be effective unless it is in writing and signed by the parties (or their authorised representatives).

7.9 Waiver: A waiver of any right or remedy under this Agreement or by law is only effective if given in writing and shall not be deemed a waiver of any subsequent right or remedy. A failure or delay by a party to exercise any right or remedy provided under this Agreement or by law shall not constitute a waiver of that or any other right or remedy, nor shall it prevent or restrict any further exercise of that or any other right or remedy. No single or partial exercise of any right or remedy provided under this Agreement or by law shall prevent or restrict the further exercise of that or any other right or remedy.

7.10 Third Party Rights: This Agreement does not give rise to any rights under the Contracts (Rights of Third Parties) Act 1999 to enforce any term of this Agreement.

7.11 Counterparts: This Agreement may be executed in any number of counterparts, each of which when executed shall constitute a duplicate original, but all the counterparts shall together constitute the one Agreement. The executed signature page of a counterpart of this Agreement by email (in PDF, JPEG or other agreed format) shall take effect as delivery of an executed counterpart of this Agreement.

8. Termination & Governing Law

8.1 Termination: Either party may terminate an ongoing standard hourly agreement by providing 7 calendar days' written notice via email to the other party. Payment remains due for all time worked up to the date of termination. If the Client terminates the Agreement under this Clause it agrees to also pay BH Data Services any non-cancellable costs actually incurred by BH Data Services (including but not limited to set-up charges and costs relating to Services provided by BH Data Services).

8.2 Without affecting any other right or remedy available to it, either party may terminate the Agreement with immediate effect by giving written notice to the other party if:

- i. the other party commits a material breach of any term of the Agreement which breach is irremediable or (if such breach is remediable) fails to remedy that breach within a period of fourteen (14) days after being notified in writing to do so;
- ii. the other party takes any step or action in connection with its entering administration, provisional liquidation or any composition or arrangement with its creditors (other than in relation to a solvent restructuring), being wound up (whether voluntarily or by order of the court, unless for the purpose of a solvent restructuring), having a receiver appointed to any of its assets or ceasing to carry on business or, if the step or action is taken in another jurisdiction, in connection with any analogous procedure in the relevant jurisdiction; or
- iii. the other party suspends, or threatens to suspend, or ceases or threatens to cease to carry on all or a substantial part of its business.

8.3 Without affecting any other right or remedy available to it, BH Data Services may terminate this Agreement with immediate effect by giving written notice to the Client if:

- i. the Client fails to pay any amount due under this Agreement on the due date for payment and remains in default not less than seven (7) Business Days after being notified in writing to make such payment;
- ii. the Client suspends, or threatens to suspend, payment of its debts or is unable to pay its debts as they fall due or admits inability to pay its debts;
- iii. there is a change of control of the Client.

8.4 Where the Agreement is terminated under any of the circumstances set out in Clause 8.2 and BH Data Services has not completed the Services pursuant to the SOW, the Client shall remain liable to pay for all Services actually performed, time worked, agreed non-cancellable costs, and any outstanding invoices up to the effective date of termination.

8.5 If the Agreement is terminated by the Client due to Force Majeure or because BH Data Services commits a material breach which is incapable of remedy, the total sums payable by the Client shall be limited to Services actually performed, time worked, agreed non-cancellable costs, and any outstanding invoices up to the effective date of termination. Any adjustment to an invoice shall be made only where required to reflect the actual time worked or costs properly incurred.

8.6 On termination or expiry of this Agreement:

- i. the Client shall immediately pay to BH Data Services all of BH Data Services' outstanding unpaid invoices and interest and, in respect of the Services supplied but for which no invoice has been submitted, BH Data Services may submit an invoice, which shall be payable immediately on receipt;
- ii. BH Data Services shall on request return the Client Materials and BH Data Services shall immediately deliver to the Client all Deliverables whether or not then complete.

8.7 Termination or expiry of this Agreement shall not affect any rights, remedies, obligations or liabilities of the parties that have accrued up to the date of termination or expiry, including the right to claim damages in respect of any breach of the Agreement which existed at or before the date of termination or expiry.

8.8 Any provision of the Agreement that expressly or by implication is intended to come into or continue in force on or after termination or expiry of the Agreement shall remain in full force and effect.

8.9 Dispute Resolution: If a dispute arises in connection with this Agreement or the Services, both parties shall first seek to resolve the matter in good faith through written communication. If a dispute arises out of or in connection with this Agreement or the performance, validity or enforceability of it ("Dispute") then except as expressly provided in this Agreement, the parties shall follow the procedure set out in this Clause:

- i. either party shall give to the other written notice of the Dispute, setting out its nature and full particulars ("Dispute Notice"), together with relevant supporting documents. On service of the Dispute Notice, the Client and BH Data Services shall attempt in good faith to resolve the Dispute;
- ii. if the parties are for any reason unable to resolve the Dispute within fourteen (14) calendar days of service of the Dispute Notice, the Dispute shall be finally resolved by the courts of England and Wales in accordance with Clause 8.10.

8.10 Governing Law and Jurisdiction: This Agreement and any disputes or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the laws of England and Wales. Each party

irrevocably agrees that the courts of England and Wales shall have exclusive jurisdiction to settle any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with this Agreement or its subject matter or formation.
